Course Highlights

PowerPoint® for Public Safety™ is designed to assist all public safety personnel become more efficient and proficient with PowerPoint®. Ninety-five percent [95%] of our students report they are “self-taught” in PowerPoint, most say they “use it pretty well”, but almost all report “they’re not using it to its full potential.” PowerPoint® for Public Safety™ address this need by providing the critical skills needed to effectively present information in a variety of settings including: the Academy, in-house/in-service training, public meetings, courtroom, and executive briefings.

Who Should Attend

This class is designed for any investigator, detective, or supervisor; authorized support staff will be admitted with prior agency documentation. Prior experience with PowerPoint® is not required.

Material Requirements

Students should bring a laptop with Microsoft PowerPoint and Word (version 2003 or higher). Prior experience or training in PowerPoint or Word is not necessary. Students will receive samples of data for use in the classroom during hands-on sessions.
