Course Highlights

In this two day course, a guide for the today's supervisors and commanders of Narcotics Units/Details is outlined. Built upon well tested foundations (eg Personnel, Managing UC Ops, and Mission planning), this course also incorporates realistic lessons about societal trends (De-Criminalization and Legalization) and breaks new ground for current investigation techniques and online interdiction (Social Media and Supervising Undercover Investigations in Social Space).

Who Should Attend

This course is designed for Supervisors and Team Members of Narcotics Units and Details. Prior experience in narcotics investigations or leadership is not required. Authorized support staff (i.e. analysts / technical assistance) will be admitted only with prior agency documentation.

Material Requirements

Students should bring a laptop with Internet capabilities.

Agenda

Day One

1. Assuming the Role
2. A Diagnostics Check
3. Building Your Team – Selection, Retention and Rotation of Undercover Personnel
